

draft-ietf-behave-dccp-04

IETF#73, Minneapolis
20th November 2008

Rémi Denis-Courmont
VideoLAN project

Revised I-D needed

- Past Gen-ART, SecDir & IESG review
- Bunch of editorial fixes
- One DISCUSS remaining:
 - on DoS handling versus binding timeouts
 - clarified text to be included in update
- One COMMENT remaining on manageability:
 - not DCCP specific... bring this to BEHAVE wg?
