Thanks to the reviewers!

- Eric Klein
  - Jeroen Massar, Jonne Soininen
- Karen Nielsen
- Francis Dupont
- Markku Ala-Vannesluoma
- Henrik Levkowetz
- Jonathan Rosenberg
- IAB (late)

High level summary of comments

- Editorial, clarity, punctuation
- Clarification resolved on mailing list
  - Why not TCP?
  - Why not an anycast address?
- Recognize "port preserving" NAT
  - Add text, random pick of service port
- Ask for more UNSAF considerations
  - Discussions of "automatic sunset"
  - Mostly an IAB request, commentary in nature

Next steps

- Version 03 of draft
  - Editorial comments, port preserving NAT
  - Submitted a few hours after the deadline
  - Submitted before receiving the IAB comments
- Resolve IAB comments
- RFC editor…
