Document Status

- Document status summary posted at:

<http://tools.ietf.org/wg/ipv6/>

- Much more information available from tools page than I can collect
 - Thanks to Henrik and the Tools Team!!!

Pointer to IPv6 VPN presentation

- draft-lee-l3vpn-ipv6-vpn-00.txt
- To be presented at L3VPN WG
 - Thursday @ 1300-1500
 - Salon 2/3
- Needs IPv6 review
- Proposes new address formats
 - VPN-local addresses (looks like site-locals)
 - VPN-global addresses (asking for x010 prefix)
