# Lobbying

- Lobbying was a major concern for the previous NomCom
- No evidence was detected during this NomCom
- The community conducted itself very well
- Thank you

# Final Thoughts

- Total nominations were down
- First implementation of Open List
- Work completed with 9 voting members
- More detail in the NomCom Chair's report
- Please consider volunteering for the next NomCom (before IETF 81)
- Please support NomCom 2011-2012

# Acknowledgements

- Please thank all the NomCom Members
  - Orange Dots on their badge
- Our thanks to the confirming bodies:  
IESG, IAB, and ISOC BOT
- Mary Barnes for outstanding support as the Chair Advisor
- Tony Hansen for significant improvements to the NomCom Tools
- Henrik Levkowetz for outstanding support as our NomCom Tool Advisor
- Most Important of all:  
Our thanks to the Community for your support, feedback, and participation in the process

Thank you

Tom Walsh

Chair, 2010-2011 NomCom
