Using DANE to Associate Payment Information
(PMTA)

Glen Wiley, gwiley@verisign.com

Using DANE to Associate Payment Information

https://tools.ietf.org/html/draft-wiley-paymentassoc-00

- Current challenges in payments industry
  - Topic is active in W3C Web Payments group

- Authors from Verisign and Armory Technologies
  - Open source working code demonstrating its use
  - DNS Provisioning
  - Bitcoin wallet

- Walk through simple use case

Using DANE to Associate Payment Information

https://tools.ietf.org/html/draft-wiley-paymentassoc-00

- Fit with the DANE WG Charter or other?

- Future direction for DANE WG
  - Widespread DANE adoption
  - More things like this will be coming our way

Thanks
