The ITU IPv6 Working Group was convened by the Director of TSB, in close collaboration with the Director of BDT. It has held its second meeting in Geneva, Switzerland, on 1st-2nd September 2010.

This second meeting decided to liaise to your organization the following contribution, and The Ipv6 Working Group would appreciate your comments and/or views by 10 March 2011 regarding this contribution attached.

This contribution was not discussed at this meeting, and therefore there was no agreement on any part of this document. The Ipv6 Group decided to seek your comments and/or views prior to its next meeting, in order for the Ipv6 Group to take a position on these proposals as expressed in this attached contribution.

Please take into consideration that the following items in this contribution raised particular concerns:

- IPv6 GROUP– [C 19](#) ‘Problems and solutions’, in particular section 1.1 paragraphs 14, 15, 16, 18, 19.
