The ITU Ipv6 Working Group was convened by the Director of TSB, in close collaboration with the Director of BDT, following discussions at the 2009 session of Council. It has held its second meeting in Geneva, Switzerland, on 1<sup>st</sup>-2<sup>nd</sup> September 2010. Full information on the group, including its terms of reference, are found at:

<http://www.itu.int/ITU-T/othergroups/ipv6/index.html>

It was agreed in this meeting to send this liaison statement to seek comments and/or views on the concerns as expressed by some of the Ipv6 Working Group members highlighted in [TD14](#) “Concerns on Ipv4 Address Policy with regard to Ipv6 Deployment” of the Ipv6 Group, in particular section 4 of its Annex, by 10 March 2011, prior to the next Ipv6 Working Group Meeting on 7-8 April 2011.

Please note that there is no consensus regarding any of the matters raised in the attached document since it has not been discussed in our meeting. Please also note that we appreciate that any responses would be limited to matters within the scope of the responding organization and thus may not cover all the matters raised in the attached documents.
