1. Overall Description:

SA2 would like to thank IETF ECRIT for the incoming LS informing 3GPP of IETF work enabling eCall over IETF SIP. SA2 has agreed on a work item (enclosed) in SA2#111, see WID (S2-153654) "Evolution to and Interworking with eCall in IMS Stage2".

SA2 plans to start work on this topic at SA2#113 and finalize the work by May 2016.

2. Actions:

To IETF Ecrit WG group.

ACTION: TSG SA WG2 respectfully asks IETF ECRIT to take the above information into account.

3. Date of Next TSG-SA WG2 Meetings:

TSG-SA WG2 Meeting #113	25-29 January, 2016	St. Kitts
TSG-SA WG2 Meeting #114	11-15 April, 2016	Sophia Antipolis, FR
