ITU-T Q15/15 thanks the IETF 6lo Working Group for moving forward and taking into account our concerns.

We understand that the internet draft “draft-ietf-6lo-dispatch-iana-registry” intended for the last call will be updated soon. We are looking forward to reviewing it and provide comments, if any.

Monsieur Thierry Lys ([thierry.lys@erdf.fr](mailto:thierry.lys@erdf.fr)) would be the group liaison contact for further discussion with 6lo Working Group.
