

# Welcome to IETF 113!

## Covid Testing Information & Options

---

### Local Free Testing

While testing is not required at 113, it is encouraged. There is a free testing facility only a short walk from the Hilton Vienna Park in the Öffentlicher Park and it offers both antigen and PCR testing.

[What3words](#) location: voting.anthem.pickles.

Below are the instructions for testing at this location.

**Step 1:** Scan the QR code below to be taken to the registration webpage.

**Step 2:** Register via the form.

NOTES FOR ONLINE REGISTRATION:

1. Check 'no social security number available' unless you have an Austrian Social Security number.
2. The form will ask you to validate using your phone number or email address. We recommend that you use an email address, because validation via phone number may not work (for example, it does not work for US phone numbers).

3. In the address field, use the Hilton Vienna Park address (Am Stadtpark 1, 1030 Wien)
4. Select that you are a visitor.

**Step 3:** You will be provided with a unique QR code for your personal record. Take a screenshot of your QR code so you have access to it.

**Step 4:** Go to the testing location. Tests are administered in mobile buildings on either side of the small urban park. PCR tests are administered on one side and antigen tests on the opposite side, as noted on the map.

Have your QR code and identification (e.g. passport) ready to present.

### Address data

Street
Am Stadtpark
No.
1
Postal code
AUT-1030
City

**Step 5:** Take your test. The PCR test is a 30-second gargle test; the antigen test is a technician-administered nasal swab. Plan to return to the test station 24 hours after your gargle PCR test or 30 minutes after your nasal swab antigen test. Go back to the window and show your QR code and identification and request your results.

## At-Home Gargle Tests

The IETF has procured a number of at-home gargle tests, available at the IETF registration desk. Once you have [registered](#) for a LEAD Horizon account, you can take the test in the comfort of your guest room and then drop it off at one of a number of nearby grocery stores (e.g. BILLA, BILLA Plus, BIPA, Penny) for processing. Results come via email in <24 hours. There is a BIPA across the street, and several BILLAs walking distance from the Hilton.

### BIPA

Landstraßer Hauptstraße 1, 1030 Wien, Austria

Hours: 8:00-7:30pm most days

### BILLA

Landstraßer Hauptstraße 32 1030 Vienna

Hours: 7:40 - 20:00 most days

Additional details are available at <https://allesgurgelt.at/en/wien/>.
