The Meeting of the Internet Engineering Task Force 103 (IETF103)

Dear distinguished delegates,

It is my pleasure to welcome The Meeting of the Internet Engineering Task Force 103 (IETF103) to Thailand from 3-9 November 2018. On behalf of Thailand Convention and Exhibition Bureau (TCEB), I would like to extend my appreciation to The Internet Society for choosing Thailand as a host destination for your important event.

As the Royal Thai government’s official flagship body overseeing Meetings, Incentives, Conventions, and Exhibition (MICE) industry, TCEB is mandated to foster Thailand’s role in hosting world-class events for business travelers across the world. We are confident that you will enjoy a taste of genuine Thai hospitality and indulge in the distinctive cultures and leisure activities which make Thailand one of Asia’s most preferred destinations.

I wish you all have a constructive meeting session of The Meeting of the Internet Engineering Task Force 103 (IETF103) while having a wonderful stay in the Land of Smiles as our honored guests.

Yours Faithfully,
