## Meeting Communication

### Audio Streaming

Audio streaming during the meeting can be accessed at:  
[http://ietf91streaming.dnsalias.net/ietf/](http://ietf91streaming.dnsalias.net/ietf/)

Following the meeting, the audio archives will be housed on the IETF website at:  

### Message Board

This board is located near the Registration Desk. It contains important information such as agenda changes and messages to other attendees. Please do not post resumes, job openings, or solicitations of any kind.

### Meeting Wiki

A wiki of useful meeting-related information, including transportation information and dining suggestions can be found here:  

Contributions are welcomed at any time.

### Meeting Mail Lists

91ALL
Everyone who has registered for the meeting is subscribed to 91ALL. The list is reserved for communication from the IETF Administrative Director (IAD) and the Secretariat. **Attendees cannot send to this list.**

91ATTENDEES
This list is intended for community discussions during the meeting. All subscribers can send to this list. Subscribe and unsubscribe at [http://www.ietf.org/mailman/listinfo/91attendees](http://www.ietf.org/mailman/listinfo/91attendees).

### Jabber Rooms

Jabber rooms are available for each session and use the name of the working group:  
[wg]@jabber.ietf.org

Logging is automatically enabled in each room. The logs are located here:  

For more information about Jabber, see [http://www.jabber.org/](http://www.jabber.org/)

### Troubleshooting

When reporting problems, please be as specific as possible in your message and remember to include the room name.

For network connectivity and audio streaming issues, please contact noc@ietf.org.

For all other meeting issues, including A/V and environmental issues (e.g. noise, temperature), please contact mtd@ietf.org.

**Note Well**

Any submission to the IETF intended by the Contributor for publication as all or part of an IETF Internet-Draft or RFC and any statement made within the context of an IETF activity is considered an "IETF Contribution". Such statements include oral statements in IETF sessions, as well as written and electronic communications made at any time or place, which are addressed to:

- The IETF plenary session
- The IESG, or any member thereof on behalf of the IESG
- Any IETF mailing list, including the IETF list itself, any working group or design team list, or any other list functioning under IETF auspices
- Any IETF working group or portion thereof
- Any Birds of a Feather (BOF) session
- The IAB or any member thereof on behalf of the IAB
- The RFC Editor or the Internet-Drafts function

All IETF Contributions are subject to the rules of RFC 5378 and RFC 3979 (updated by RFC 4879).

Statements made outside of an IETF session, mailing list or other function, that are clearly not intended to be input to an IETF activity, group or function, are not IETF Contributions in the context of this notice. Please consult RFC 5378 and RFC 3979 for details.

A participant in any IETF activity is deemed to accept all IETF rules of process, as documented in Best Current Practices RFCs and IESG Statements.

A participant in any IETF activity acknowledges that written, audio and video records of meetings may be made and may be available to the public.
