

Managing Conflicts in Agenda Scheduling

Current Challenges

- Current challenges include:
 - “Retrieve all information from previous meeting” button
 - Attendance numbers from previous meeting
 - The use of 1st, 2nd, 3rd priority isn’t always clear to the secretariat

Changes to Session Request Tool

- The session request tool will be updated
 - Will display actual attendance for previous meetings
 - Retrieve information from previous meeting will be going away
 - Potential options to replace the button being discussed by the IESG:
 - Have copy buttons for entries from previous meeting
 - Re-enter all information
