

**PASSporT Extension for P-Charge-Info Header
draft-asveren-stir-p-charge-info-00**

P-Charge-Info

- P-Charge-Info
 - In use for 10+ globally to convey information about the party to be billed

- draft-york-p-charge-info-07
 - Informational
 - Out of AD-review and soon to be “last call”

- draft-asveren-stir-p-charge-info-00
 - P-Charge-Info content is sensitive as it pertains to billing
 - Ideally should be protected and a PASSporT extension seems suitable
 - This draft should be “Informational” as well
 - Next revision will include more information about use cases, semantics
