

# Anycast Analysis Draft

---

- Stagnant
  - In AD Follow-up for 362 days
- Disagreement over the usefulness in its current form
- Lack of author cycles
- IESG agreement that an overview of anycast is useful

# Anycast Draft options

---

- Drop the document
  - Leaves a hole for documenting anycast functionality
- Publish As-Is
  - Doesn't clean up issues in current draft
- Start over
  - Use current draft as a basis
  - Find a new author
