- 1815 Where next? (Brian)
- 1830 Town Hall Meeting
  - 15 minutes for direct questions to IESG
 - then IETF Admin, Operations & Process topics
- 1930 (end)

Use of Town Hall Time

- Please – make your remarks short and to the point
  - IETF Admin, Operations & Process topics only tonight, please - technical topics tomorrow
- Remember to speak clearly – many of us don't come from ~~the US~~ France
- Welcome to the microphone! We are all equal here.

Issues raised

- project management/delay reduction for drafts (Henning Schulzrinne)
- process change ideas (Spencer Dawkins)
  - draft-klensin-nomcom-term-00.txt
  - draft-klensin-stds-review-panel-00.txt
- does the community believe process change is needed (if so, at what priority)? (Bert Wijnen)
- what is the best way to change the process? (Brian Carpenter)
  - at least, how do we focus the list discussion?
