

OAuth @ AppArea

Peter Saint-Andre
IETF 75

Status

- OAuth WG approved May 2009
- Split core spec into two parts:
 - draft-ietf-oauth-authentication
 - draft-ietf-oauth-web-delegation
- Not meeting at IETF 75
- Breakfast BoF on Wednesday @ 07:00

What's Needed

- Reviews of draft-ietf-oauth-authentication
- Reviews of draft-ietf-oauth-web-delegation
- Documentation of other existing scenarios (e.g., “two-legged auth” and “four-legged auth”)
- Extension of OAuth to non-web use cases?
