²CenGen, Inc. – ian.chakeres@gmail.com

³US Army CERDEC – robert.g.cole@us.army.mil

⁴Booz Allen Hamilton – harnedy_sean@bah.com

⁵LIX, Ecole Polytechnique – T.Clausen@computer.org, ulrich@herberg.name

23 March 2010 / MANET WG, IETF-Anaheim CA

Updates and Work Items

Updates:

- DYMO-MIB [3] – No activity till DYMO finalized.
- SMF-MIB [4] – No activity till SMF finalized.

Work Items:

- DYMO-MIB – Is near complete; need to work the security section.
- SMF-MIB – Is pretty well fleshed out; need to work security section and NOTIFICATIONS.
