Updates on RFC5444/NHDP Security

Ulrich Herberg
Thomas Clausen

Updates on draft-ietf-manet-packetbb-sec-02

- Fixed a nit (wrong length of the signature)

- Next Step:

    - WG LC

Plans for draft-herberg-manet-nhdp-sec

- Very soon (possibly before the end of the week):

    - Submit version with editorial updates

    - Add link verification / link admittance ("fine-grained security")

- Next Step:

    - WG adoption
