

RADIUS Over DTLS

RADEXT - IETF 81

Alan DeKok
FreeRADIUS

Changes since IETF 80

- None, sorry.
- Changes from draft-dekok-radext-dtls-02
 - Name / date
 - STATUS -> RFC 5997
 - Removed RFC 5378 disclaimer

Open Issues

- Need to re-sync with RTLS draft
- Double-check consistency, etc.
- Would like review from Stig Venaas (radsecproxy)

Implementations

- RadSecProxy
- Jradius
- FreeRADIUS (ongoing, expected Q3. 2011)

Questions?

- Draft will make more progress once other documents are finished
