IETF Note Well

<http://www.ietf.org/about/note-well.html>:

Any submission to the IETF intended by the Contributor for publication as all or part of an IETF Internet-Draft or RFC and any statement made within the context of an IETF activity is considered an "IETF Contribution". Such statements include oral statements in IETF sessions, as well as written and electronic communications made at any time or place, which are addressed to:

- The IETF plenary session
- The IESG, or any member thereof on behalf of the IESG
- Any IETF mailing list, including the IETF list itself, any working group or design team list, or any other list functioning under IETF auspices
- Any IETF working group or portion thereof
- Any Birds of a Feather (BOF) session
- The IAB or any member thereof on behalf of the IAB
- The RFC Editor or the Internet-Drafts function

All IETF Contributions are subject to the rules of [RFC 5378](#) and [RFC 3979](#) (updated by [RFC 4879](#)).

Statements made outside of an IETF session, mailing list or other function, that are clearly not intended to be input to an IETF activity, group or function, are not IETF Contributions in the context of this notice.

Please consult [RFC 5378](#) and [RFC 3979](#) for details.

A participant in any IETF activity is deemed to accept all IETF rules of process, as documented in Best Current Practices RFCs and IESG Statements.

A participant in any IETF activity acknowledges that written, audio and video records of meetings may be made and may be available to the public.

Subject: Regarding IPR on <DRAFT>

Authors, Contributors, (CCAMP)

In preparation of this document for <NEXT STEPS>:

Are you aware of any IPR that applies to <DRAFT>?

If so, has this IPR been disclosed in compliance with IETF IPR rules (see RFCs 3979, 4879, 3669 and 5378 for more details)?

If you are listed as a document author or contributor please answer the above by responding to this email regardless of whether or not you are aware of any relevant IPR. This document will not advance to the next stage until a response has been received from each author and listed contributor. NOTE: THIS APPLIES TO ALL OF YOU LISTED IN THIS MESSAGE'S TO LINES.

If you are on the CCAMP WG email list but are not listed as an author or contributor, we remind you of your obligations under the IETF IPR rules which encourages you to notify the IETF if you are aware of IPR of others on an IETF contribution, or to refrain from participating in any contribution or discussion related to your undisclosed IPR. For more information, please see the RFCs listed above and <http://trac.tools.ietf.org/group/iesg/trac/wiki/IntellectualProperty>.

Thank you,

CCAMP WG Chairs

PS Please include all listed in the headers of this message in your response.
