Dan Wing

dwing@cisco.com

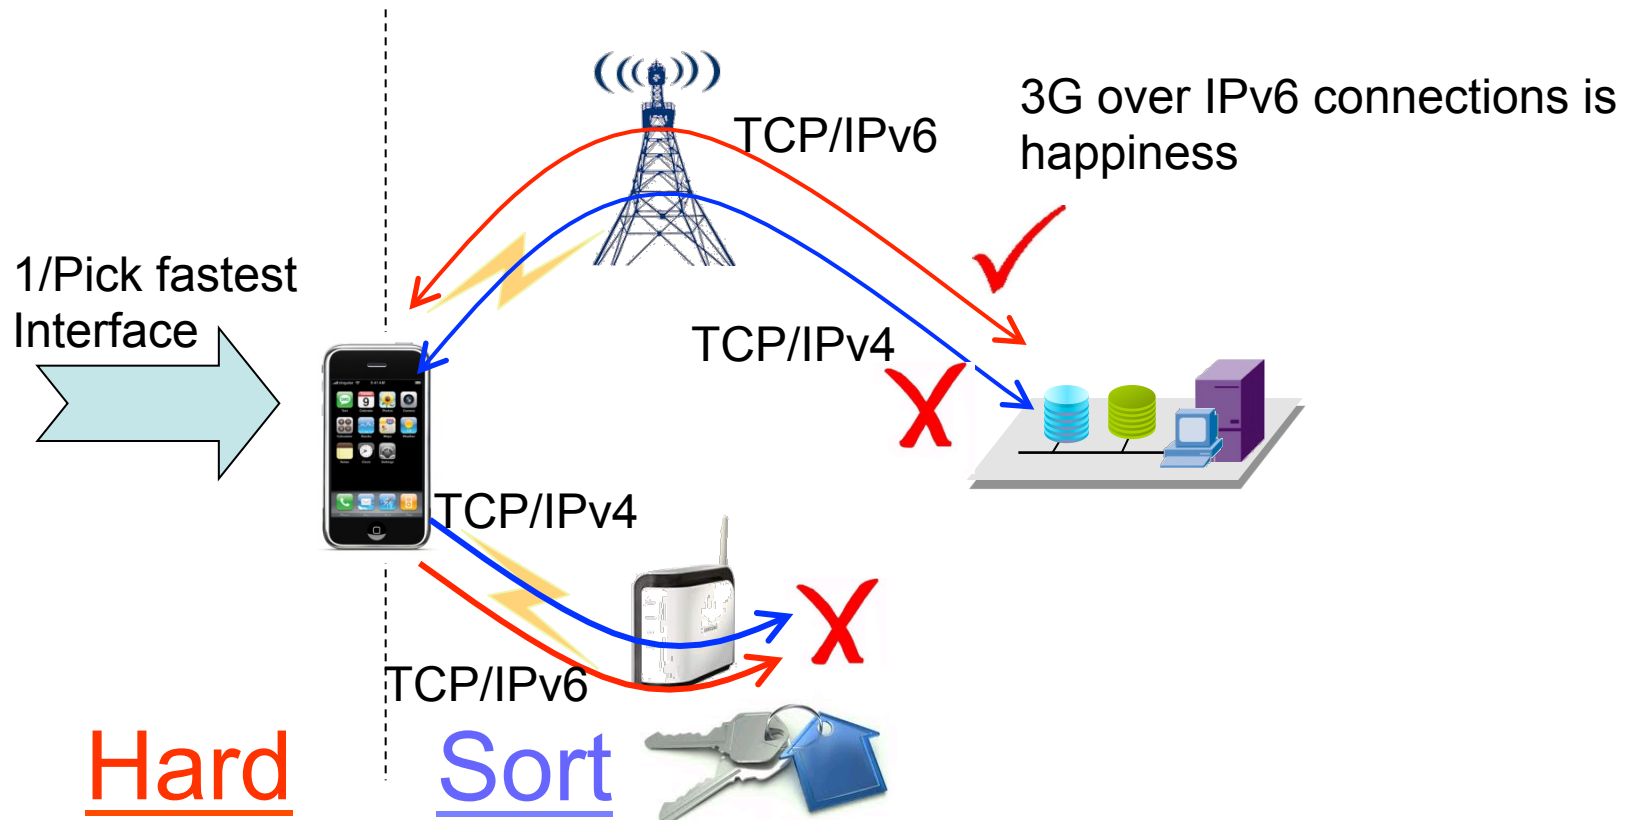

Andrew Yourtchenko

ayourtch@cisco.com

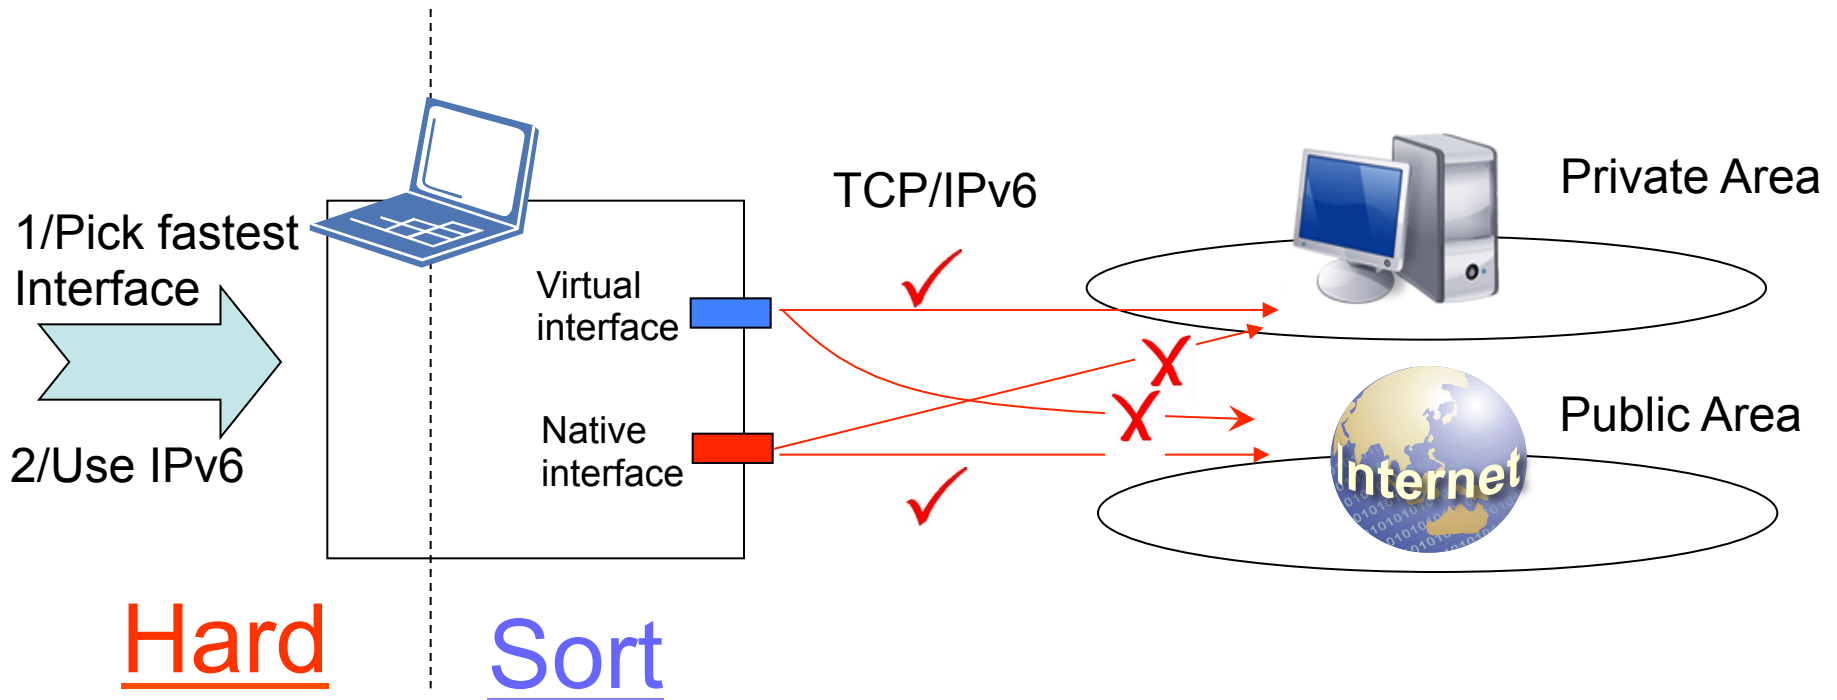

Framework

Case 1: WiFi is broken

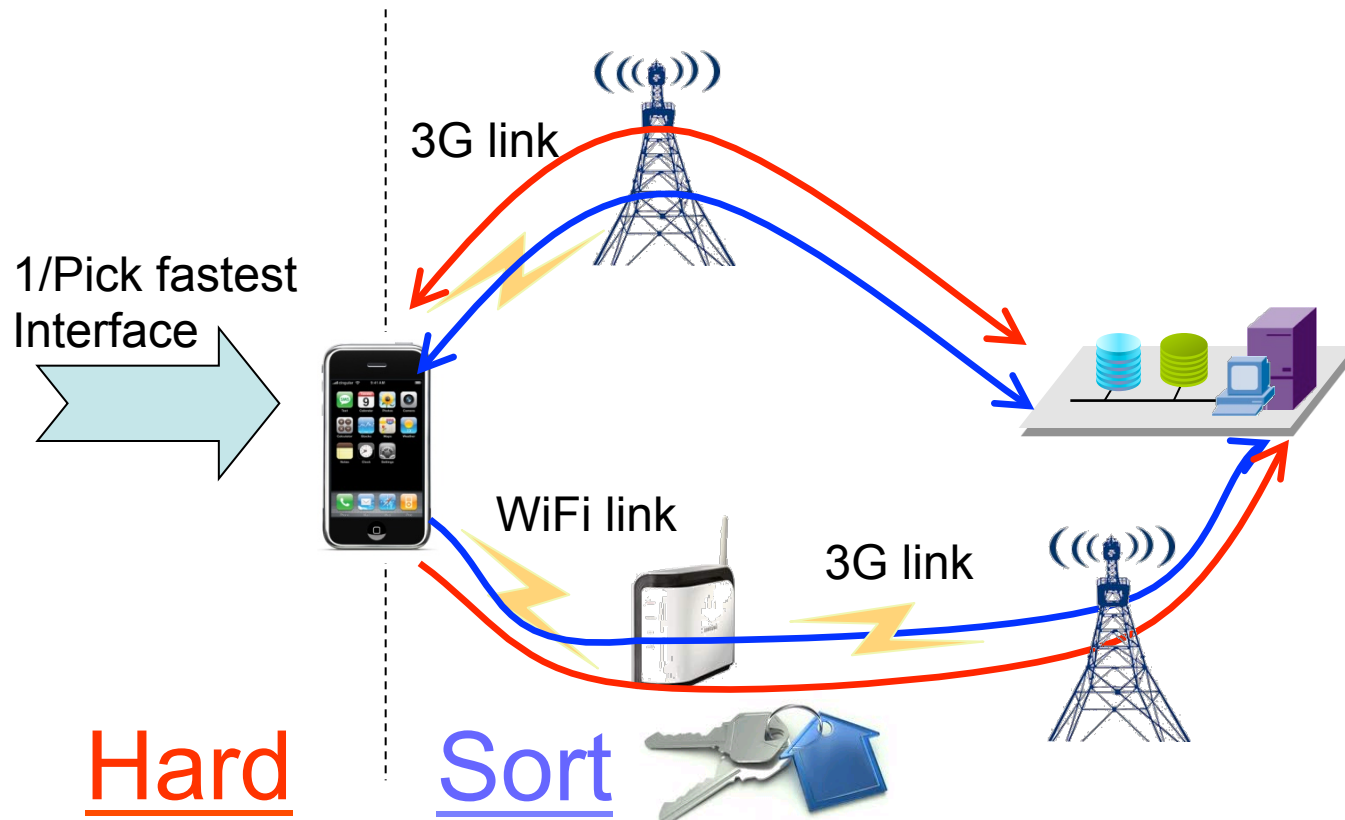

Case 2: VPN interface

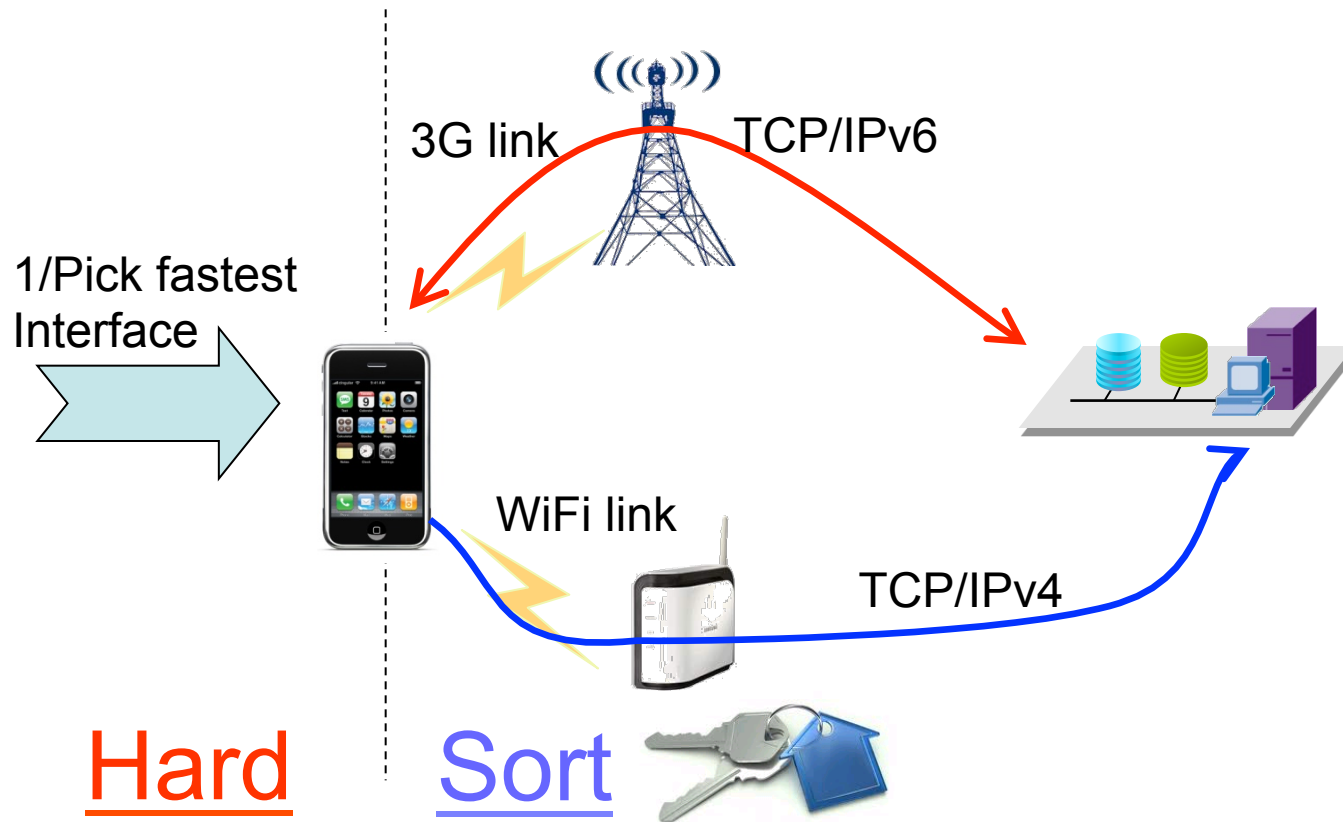

Each connection would get their own “Happiness”

Case 3: WiFi with 3G backhaul

Case 4: IPv6 on 3G, IPv4 on WiFi

Costs a lot of money!

Next Steps

- Working group interest in draft-chen-mif-happy-eyeballs-extension?
