IETF-83

Proposed Interim Meeting dates!

Why more meetings?

Work to date has progressed due to:
- continued
- focused
- regular

meetings of:
- focused
- dedicated

individuals

✦ What meeting type?

All of these interim dates are proposed as:

"In Person + Virtual capability"

Because there will be folks at the location, but remote participants will need to be supported. If room space is limited some first-come-first-served arrangement will prevail.

✦ Dates (the meat)

Mon Apr 30 - after ARIN (IAD)

Wed Jun 6 - NANOG (YVR)

Fri Jun 29 - (BWI/IAD)

Fri Jul 27 - prior to IETF84 (YVR)

Sun Sep 23 - prior to RIPE (AMS)

Last date coincides with RIPE/AMS + is a date picked by a larger set of WGs already

Procedure?

- These are proposed dates
  - Are they all required?
- Take a few mins to discuss in-room
  - All final decision traffic on-list in ~10 minutes
- Final decision 03/30/2012 (Mar 30, 2012)

✦ Discuss

Really, discuss this until close of meeting + on-list.
