Summary of Changes

Revised the compliance statement on the implementation of ENTITY-MIB V4 with entity4CRCompliance

For more clarity, some of the abbreviated MIB object names are expanded

- for e.g. eoACPwrCharTable has been changed to eoACPwrCharacteristicsTable

Remaining - two open issues

Waiting for Requirements to complete Last Call

IANA registered Power State Sets (EMAN-FMWK)

Conclusions

- § This MIB module is almost complete
- § Thanks to many comments of Minoru Teraoka
- § Must still check if all the requirements are met.
