

# IETF Nominating Committee (NomCom):

Matthew Lepinski  
nomcom-chair@ietf.org

**<https://www.ietf.org/group/nomcom/2012/>**

# Background

- NomCom is working to select individuals to fill IETF leadership positions with terms ending in March 2013
  - IESG: One Area Director in each Area
  - IAB: Six members
  - IAOC: One member
- For more information see:  
<https://www.ietf.org/group/nomcom/2012/>
- The NomCom is described in RFC 3777

# NomCom Seeks Community Input

- Office Hours: Monday – Thursday, 13:00-15:00, Room 305
- Email the NomCom: [nomcom12@ietf.org](mailto:nomcom12@ietf.org)
- Web Feedback Tool:  
<https://www.ietf.org/group/nomcom/2012/input/>
- Note: Web tool requires an [ietf.org](https://datatracker.ietf.org/accounts/) account  
<https://datatracker.ietf.org/accounts/>
- Note: Web tool has candidate list (RFC 5680)

# Useful Feedback

- **General Feedback on a position**

Example: “Area X has a lot of contentious working groups. They need an AD who can help resolve this contention.”

- **Feedback on specific candidates**

Example: “When I worked with Person X in Working Group Y, I saw that she was very good at doing Thing Z”

- Telling the NomCom “Person X is wonderful” is NOT very useful.

# Timeline

- Please provide input to the NomCom by November 13th
- NomCom is in the process of interviewing candidates in person (at IETF 85) and by phone (after IETF 85)
- Final deliberations will finish in December
- Slates sent to confirming bodies in January
- Results will be publicly announced in early February
