IRTF IPR Disclosure Rules

IRTF follows the IETF IPR disclosure rules. This is a summary of these ey relate to IRTF research group discussions, mailing lists and Internet ts:

you include your own or your employer's IPR in a contribution to an IR rch group, then you must file an IPR disclosure with the IETF.

you see your own or your employer's IPR in someone else's contribution are participating in the discussions in the research group relating to that ibution, then you must file an IPR disclosure with the IETF. Even if you articipating in the discussion, the IRTF still requests that you file an IPI osure with the IETF.

nally, the IRTF requests that you file an IPR disclosure with the IETF if PR owned by others in any IRTF contribution.

RFC 3979 (BCP 79) for definitions of "IPR" and "contribution" and for led rules (substituting "IRTF" for "IETF").
