

# IP Performance Metrics Rechartering

W. Cervený, B. Trammell, chairs  
IETF 86 Orlando, Friday 15 March 2013

# Areas of Work

# Questions

- Update to 2330: revise or rethink?
  - -2330-update / -model-based-metrics
  - impact on 2679bis + 2680bis
- Metrics “up the stack”?
- Addressing metric interoperability
  - define another registry?
