

SNMP engine configuration

draft-ietf-netmod-snmp-cfg-01

IETF 86

Martin Björklund
mbj@tail-f.com

Recent Changes

Added support for the SSH Transport Model (RFC 5592)

Use proper data types from rfc6021bis

Issues

- Harmonize with draft-ietf-netconf-rfc5539bis on certificate mapping list. (Also discussed in the NETCONF session yesterday)
- Fix some bugs reported by Juergen on the mailing list.
