

SIPREC
Recording callflow
(draft-ram-siprec-callflows-03)

March 13th 2012
IETF 86 meeting

Authors: Ram Mohan R, R Parthasarathi, Paul Kyzivat

Call Flows Status

- Only superficial changes since -02
 - Editorial fixes
 - A few xml corrections in 3.3 (Hold/Resume)
 - (See diff for details)

Open Issues

- Do we want the callflows to show the sip signaling?
- Add more Callflows?
 - Volunteers?

Next steps

- Adopt this draft for SIPREC callflow milestone?
- We Really, really, really need detailed review by fresh eyes.
 - Volunteers?
