Outline

- **Changes and History of the Draft**
- **Next Steps**

Changes and History of the draft

- **The draft has been a CCAMP working group document since April 2011.**
- **Draft has been updated with working group discussions/consensus over emails about a year ago.**
- **Only minor editorial changes since version v5 (September 2012).**

Next Steps

- **Given that the draft has been stable since September 2012 and implementation(s) exist, we would like to request WG for the Last Call.**

Thank You.
