To be discussed

Status

- **General agreement that the IANA section of RFC 4379 needs to be updated**
- **The text in the draft is for discussion**
  - **Is it enough to update the IANA section or do we have an impact on the rest RFC 4379?**
  - **Are all allocation policies the same for all sub-TLVs?**
  - **Or could we specify unique allocation policies for the sub-TLVs for one TLV?**
  - **Treament of TLVs/sub-TLVs that are not understood**
  - **One or more documents (a practical decision)?**
  - **etc**

Next steps?

- **Corridor discussion**
- **Comments/discussion on the mailing list**
