

# VPLS PE Model with E-Tree Support

draft-ietf-l2vpn-vpls-etree-pe-02.txt

Yuanlong Jiang, Lucy Yong, Manuel Paul, Frederic Jounay

Florin Balus, Wim Henderickx, Ali Sajassi

# *Status and Changes*

---

- Mainly some updates to Section of BGP VPLS
  - Synchronize with procedures in LDP VPLS section
  - Now PE with no VLAN mapping capability can also participate in the E-Tree service
- An update to the reference list
  - New versions are reflected
  - Irrelevant references are removed
- Some minor improvements on texts

# ***Next Step***

---

- Comments from WG are greatly appreciated
- Pursue last call when time is appropriate

---

*Thank You*
