

spring WG Summary

- First WG Meeting
- Meeting Highlight: Charter and Milestone review.
<http://datatracker.ietf.org/wg/spring/charter/>
- We want to focus on on the earlier milestones in the charter first.
 - Will take advantage of the face-to-face meeting to facilitate the discussion of work related to those milestones.
 - While the agenda shows enough time to cover all the topics, we may not have time to hear every presentation.<http://www.ietf.org/proceedings/88/agenda/agenda-88-spring>
