

LMAP WG - IETF 89

draft-ietf-lmap-use-cases-02

Marc Linsner
Philip Eardley
Trevor Burbridge
Frode Sorensen
7th March, 2014

Since last IETF

- -00 to -01
 - Frode Sorensen added as author
 - Improvement to regulator use case
 - Promoting competition through transparency
 - Promoting broadband deployment
 - Monitoring "net neutrality"
 - Security section improved
- -01 to -02
 - Consolidation of lessons (conclusions) from use cases
- WG last call
 - Clarification and editorial comments from Pragiati Aggeliki (Greek regulator), Charles Cook (off list), Dan Romascanu, Philip Eardley
- Plan is to produce -03 in 2 weeks
 - Ready for IESG (we believe)
