

Recomendations for Transport Port Uses

draft-ietf-tsvwg-port-use
IETF 89 - London

Joe Touch, USC/ISI
As presented by Gorry Fairhurst

Purpose

- BCP advice to ***protocol designers***
 - Encourage port conservation
 - Encourage use of existing services
 - Discourage ‘reinventing the wheel’
 - Clarify how to describe a service in an application and/or ID
- **NOT**
 - Direction to the IESG or Expert Review team
