# Status

- Draft-banks-bmwg-issu-meth-04 is the latest version
- Added to the BMWG charter last month
- (Hurray!)
- Strong and positive initial feedback
- Authors view the doc as fairly complete

# Next Steps

- Authors plan to update and submit -05 with feedback from list regarding Authors comments around counters (and trust) during ISSU
- Draft update ready for IETF91 (Honolulu)
- Feedback please!
