draft-bhuvan-bmwg-sdn-controller-benchmark-meth

IETF 93 – Prague

Presenter: Sarah Banks

Updates since IETF92

- We've received significant feedback on the -00 drafts – thank you!
- With all of the feedback, it's taking some time to revise the draft
- We submitted the latest revision AFTER the cut off date for this meeting
- We will update again after Prague, with more updates

Updates since IETF92, cont

- The topology diagram(s) need work
- Reduced the number of topology diagrams
- Added clarifying details to several of the test cases
- Resolved normative language
- Stay tuned!
