

# 94<sup>th</sup> IETF at Yokohama, Japan

At 93th IETF at Prague

IETF Operation and Administration Plenary

July 23, 2015

# Date and The Venue

- Nov.1 – Nov.6 at the PACIFICO YOKOHAMA
- <http://ietf94.jp/>

# Yokohama City

- A big city with lots of fun, in the greater Tokyo
- One of the oldest International Seaports in Japan
- Downtown Tokyo accessible 30-60min train ride
  - Shinjuku, Akihabara, Roppongi ...
- You **SHOULD NOT** to use RENT-A-CAR 😊
  - TRAINs (or BUS) are convenient

# Diffs from -54 (2002)

- **Haneda Airport** (HND) is the nearest
  - Many direct flights from Asia(60), US(10), EU(11), ...
  - Direct bus service to 2 top hotels
  - Train to Yokohama Station available
- **Narita Airport** (NRT) still the largest Int'l flights
  - JR Narita Express to Yokohama Station
  - Commercial WiFi service with AC to all seats
  - From JR Yokohama station, take subway or taxi
  - Direct bus service from Narita is available as well
- "Minatomirai" subway station opened
  - Just a few min. walk from the venue
- Internet is available to most hotels for free in Japan
