Status

- Extensive review during call for adoption
 - Thanks to Ravi Singh, Carlos Pignataro, Eric Rosen, Yakov Rekhter, Nobo Akiya, Greg Mirsky and Eric Osborne
 - All comments addressed before adoption
- WG Last Call completed on July 13
 - Single question
 - If some devices in LSP path do not support LSP Self ping, will ingress declare failure?
 - Response
 - No. Only the ingress needs to support LSP self ping. Other nodes simply forward the probe.

Next Step
