<https://datatracker.ietf.org/ipr/2636/>

If technology in this document is included in a standard adopted by IETF and any claims of any Cisco patents are necessary for practicing the standard, any party will have the right to use any such patent claims royalty-free under reasonable, non-discriminatory terms, including defensive suspension, to implement and fully comply with the standard.

Cisco will publish more details of its reasonable, non-discriminatory terms in the future.
