Requirements for Layout Types

Tom Haynes
loghyr@primarydata.com

It lives?

- Some confusion on status and it was sent out to IESG

- Minor concerns there

- More concerns within the WG

  - Mainly due to change from "info" to "std"

Action plan

- Address Dave's comments

- Address issues raised in IESG

  - I.e., engage early

- Another WG LC

- Send back out to IESG
