Wei Cao (wayne.caowei@huawei.com)

Attila Takacs (Attila.Takacs@ericsson.com)

Ping Pan

# Updates since last presentation

- Most of the updates are editorial changes

- Lively discussions before and during the WG adoption polling
  - Most of the technique issues solved
  - No major technique updates since adopted

- Ping Pan is removed from the author list
  - A special acknowledgement added in stead

# Next steps

- WG Last Call

- Resolve the comments when received
