# Plan

- Document known issues with RFC 4960.
- For each issue there is a subsection with diff-based text changes.
- Once finalized, publish as an Informational RFC. Similar to RFC 4460.
- After that, work on RFC 4960bis by taken the changes from the Errata document into account.

# Status

- Currently lists 10 issues.
- All currently reported Errata are covered.
- Additional other editorial changes based on reports via e-mail are covered.
- Ericsson has more comments which will be integrated in the next revision.
