

# Informal feedback

# Informal feedback

# Informal feedback

## Positives

- No solo AD; load balancing between ADs
- Ability to get work done across areas (SLIM, RTCWEB)

## Negatives

- Confusion about DISPATCH process
- Increase in irrelevant mailing list traffic

# Discussion

What's working? What can be improved?

# Potential Actions

Proposal to expand SIPCORE charter

- <https://datatracker.ietf.org/doc/charter-ietf-sipcore/>

Discussion to merge AVTCORE and AVTEXT
