rtcweb-sdp examples

Cullen, Suhas

About ..

- JSEP based Offer/Answer SDP for common WebRTC Use-cases.
- Up-to-date “Informational Reference” for spec writers and implementers.
- “Annotated Reference Manual” for SDP usage in RTCWeb.
- Examples - Basic, Multi-stream (Simulcast, SVC, FEC, RTX) , Interoperability.

02 → 04

- Close open issues from ietf-96.
- Legacy interop example updated to reflect jsep-19.
- Added a=dtls-id, a=identity to examples.
- Appendix: SDP Attributes Checklist added
 - ◆ Checklist derived from JSEP section 5
 - ◆ Goal: Align examples to JSEP via checklist.
