Reviewers:

from Dino Farinacci to Everyone:

I am going to read the drafts, so I have requirements for solutions we can propose from the LISP working group

from Thierry Ernst to Everyone:

I will also review the pb statements drafts

from Minpeng Qi to Everyone:

I will review problem statement draft and contribute some security considerations for the draft.

from Thierry Ernst to Everyone:

I take the opportunity to say that other people from ISO TC204 will contribute through the IETF - ISO liaison I'm responsible with.
